**The CV21 Cape Town to Victoria Falls** tour is the full 21 days.

**The CW14 Cape Town to Windhoek** offers a complete Namibia safari, with the added bonus of a Cape Town start.

**Overnight** 10 nights on safari we stay at designated campsites in national parks and towns. Formal campsites have hot and cold showers, laundry facilities & telephones.

3 nights guest house accommodation, twin bedrooms with en suite facilities on bed and breakfast basis.

**Meals** 13 breakfasts, 11 lunches and 9 dinners will be provided by the Sunway crew, prepared at the vehicle and eaten around the camp fire. (3 of these breakfasts are provided by the guest houses).

**Transport** Due to Namibian gravel roads we mostly run this tour in custom-built Sunway Safari trucks with 12 seats; or (on 5% of tours) Mercedes Sprinter minibuses with 12 forward facing seats and air conditioning.

**Limited participation** An essential part of your safari is some participation. From putting up your tent to packing the truck in the morning – it's all part of your adventure. There are some long travel days which means early morning starts so we all need to get involved to make the day run efficiently. Your tour leaders will do all the meal preparation but we do ask the clients to help (on rotation) with the washing up. In the Okavango the local polers will offer to assist with washing up, and make your life a little easier!

### *Why travel with Sunway Safaris*

We understand that there are several options available to you when choosing your African safari. We also know that you want to make the most informed decision about your safari, what you get, what's included and what you see and experience. So these are just a few of the Sunway qualities and facts:

- **Small groups** – by travelling with a maximum of 12 people, you are able to witness Africa and have first-hand contact with this amazing continent and its people without being a negative influence. This has been a key factor in our continued success. Our trips appeal to a wide demographic of traveller. Our clients range in age from 25 to 65+ with the average being 45. The range of travellers gives a variety of perspectives which adds to the experience of each safari.
- **2 Sunway tour guides** – group leaders are the key to any safari. On a Sunway safari you will travel with 2 qualified and registered field guides (Field Guides Association of SA). Two guides as crew, not a guide and a driver, means interesting trips with maximum knowledge and information. Our guides have a passion for Africa, her people and her wildlife, and they love nothing more than sharing their knowledge with you.
- **Guaranteed departures** – departure dates on each itinerary shown as bold are guaranteed departure dates. All other departures operate with a minimum of 4 clients.
- **All inclusive price** – when we travel ourselves, we always feel that if we're in a country we should find and see the best it has to offer. So when planning the Sunway routes we ensure that each trip provides the best inclusions and experiences. For example, if you go to Botswana – you have to visit the national parks in an open 4WD – it is the essence of the Botswana wilderness. If you tour Zambia, then you must visit South Luangwa NP and do a game walk with a local scout. When booking on a Sunway Safari there are no hidden costs. All of the entrance fees are included, and a wide range of activities, and most meals. We have included many highlights in our tours, so that you will see and experience the highlights without having to pay extra when you get there. So when you decide on which safari company to book with, look carefully at what you're actually getting. You may only visit a place once, make sure you get the most out of it.
- **Safety** – our fleet of vehicles are custom built to ensure comfortable and safe touring. Each is constructed, by an authorised passenger vehicle builder, to the latest safety requirements, with a safety shell, and every seat has a lap belt. This gives you peace of mind when travelling with Sunway Safaris on the often demanding African roads.
- **Responsible travel** - Our commitment to sustainable & responsible tourism is reflected in our low impact travel style where all we take is photographs and all we leave is our footprints. Being an African company we have the grassroots contacts to make a real difference in the lives of the people whose lands we visit.   
On each itinerary in the brochure you'll find this symbol which highlights just one of the sustainable travel initiatives that we support
- **Solo Travellers** – going it alone won't make your holiday more expensive; our reservations staff will match you up with another same-gender traveller to keep your holiday affordable. If however you request a single room or tent these are available, with a price supplement
- **Experience** - we have more than 22 years' experience planning tours throughout Southern Africa. As such, our itineraries and routes have been perfected over many years ensuring that your tour will run smoothly. We visit the highlights of Southern Africa, but ensure that you do not follow the well-trodden tourist track. All of us at Sunway Safaris have extensive travel experience in Africa, and throughout the world. Being adventure travellers ourselves, we know how to plan trips that give you a broad experience of the countries that you will visit.

- **Based in Africa** - probably the most important part of a Sunway safari is that we are an African company with offices in South Africa and Botswana. We live in Africa, we travel in Africa and it is our passion for this amazing continent that makes Sunway your best travel option.
- **Age Policy** - On all scheduled tours, we accept children 12-17 with accompanying adult. We have no upper age limit. Clients older than 65 years of age at time of travel require a medical certificate stating client is fit and healthy to join an adventure travel group tour. We have many clients over 65 years of age, who are perfectly capable of enjoying every aspect of a Sunway tour, both accommodated and camping. For more details contact [marketing@sunway-safaris.com](mailto:marketing@sunway-safaris.com).

### **Accommodation**

- **Camping** - for 9 nights on safari we stay at designated campsites in national parks, on private land and in towns. Campsite facilities are generally very good but in places can be basic. There are hot and cold showers, restaurants, washing facilities and telephones available at most of the campsites. Some camps in Namibia and Botswana have simple reed enclosures for showers but do have flush toilets! Sunway supplies all the camping equipment with the exception of your sleeping bag and pillow. The dome tents we use are 2.2 x 2.2 x 1.8 metres and putting them up or down takes only 5 minutes. Tents have built-in insect nets. We supply mattresses, which are about 5 cm thick, warm and comfortable. The camp chairs have a backrest.
- **Accommodation** - 3 nights guest house accommodation, twin bedrooms with en suite facilities on bed and breakfast basis.

Crafts from change from region to region.

### **Food**

- We pride ourselves on giving very good healthy meals to our clients and will provide three meals per day, except where shown in itinerary, when we try out local restaurants.
- The tour leaders do the shopping and meal planning for each group. He/she will always try to obtain fresh produce wherever possible. ### ***Difficulty***

- Anyone who is generally active and in good health should enjoy this trip. The outdoor enthusiast enjoys simple campsites and basic wild camps, you will get dusty on occasion; but this is Africa!
- Full itinerary with a couple of long driving days, but also plenty of outdoor activity with some relaxing time. This is a long distance trans Africa safari - there is a lot of distance to be covered and so there will be some long travelling days. Due to local conditions, border crossings, road detours and weather, the trip may alter route / schedule - please remember that this continent has its own time scale and things work differently here. Keep an open mind and a sense of humour - it's all part of the adventure!
- Everyone is asked to help out with the running of camp on tour. In other words if everyone spends a little time setting up camp, preparing meals and cleaning up then the tour will run smoothly and everyone will have a good time. Participation is the name of the game.

Remember you can also charge your camera on those nights we use accommodation (SA 220V)
2. **Is it safe?** South Africa, Namibia, Botswana and Zambia are relatively safe and your guide knows the countries intimately and will endeavour to show you the best parts while looking after you. Every precaution is taken to ensure a happy holiday.
